Edmonton Art Club

Edmonton, Alberta,

PRESIDENT'S MESSAGE:

On the occasion of its 40th anniversary the Edmonton Art Club is very happy to welcome you to its annual Easter Exhibition.

Many paintings are on display, from the traditional to the very modern, and we hope you will enjoy your visit through the Gallery.

Our membership is increasing every year and we have four charter members who are still very active. You will find many of their paintings on exhibition.

Although we are very proud of our 40 years' record, we feel that our success is due in part to the constant encouragement we have received from our patrons, for which we are truly grateful.

It is felt that the pioneering work of the Edmonton Art Club has been the means of fostering the arts in our midst, and we hope that our continued efforts will help to make this city a cultural centre of which we may all be proud.
